“Hobsons have been 2020 members for over 18 years. The training and support we receive from 2020 is excellent and they are always one step ahead in anticipating our needs.

We recently upgraded our membership, giving our firm CPD and monthly tax webinars for our entire team. This enabled us to save a small fortune on the way we had previously been providing training.

As part of the membership, we also receive the incredibly helpful Making Tax Digital Action Pack. For the cost involved, it's fantastic value for money.”
