“I would like to say a big thank you to everyone at 2020. You have been amazing supporting us accountants. Your COVID-19 Support has been outstanding for which I now not only have one of the happiest client base but they are now recommending my practice to all of their family, friends and acquaintances. I have never been so proud to be a member of 2020.”

A number of groups of accountants have held themselves out as networks or been classified by the courts as networks. This has resulted in wide-ranging litigation and exposure of network members to litigation. 2020 Membership Group is NOT a network - it is a membership organisation.
